**THE INEXPRESSIBLE MYSTERY**

The God of the universe is mysterious. Science has not been able to solve the mystery of how the universe came into being or explain exactly what continues to give it creative energy and masterful design. No religion asserts that it has found words to name fully the ineffable mystery of God, for no

matter what name we use, God always transcends our limited ability to understand. God is a mystery to be believed, not known. And yet, we Christians believe that our name for God best expresses that inexpressible mystery: God is the Most Holy Trinity of three persons united in a communion of love, pouring forth that creative, saving, sanctifying love into the world. Today's scriptures celebrate the mystery of the Trinity and give us clues for living that mystery in our lives. Copyright © J. S. Paluch Co., Inc.

**The Most Holy Trinity  
Life, the Universe, and Everything**

Why does God love us so much? And why are we able to love others? The answer to these questions is found in the meaning of today's feast. Trinity Sunday celebrates not so much an idea of three-in-one, as the relationship of the Persons of the Trinity with each other and with us. The idea of the Trinity is based on love. But God's love was so great, God went even further. God created us to be loved by God.

Though human love is not perfect, the love of man and woman can produce another person, a child. The three Persons of the Trinity share one life in God. But through baptism we also share in God's life. Just as parents love to see how their children look like them, so God loves to see the divine in us.

Our decision to love is a response to God's love, and our ability to love is itself a gift from God. The meaning of life, the universe, and everything is Love, the love of the Trinity for each other and for us. The question now is, how well do we use that gift of God's love by loving each other?
